

The Connection to Perfect Sound.

RCS 800

 **SENNHEISER**

RCS 800

Sennheiser has developed new cables for the IE 800 in-ear headphones for music lovers who don't want to compromise top-quality sound when they're on the go. Thanks to the integrated control unit with microphone, you can not only answer the phone at any time, but also control the music with the push of a button.

- RCS 800 is ideal for Android and Windows operating systems.
- 0.8 m kevlar-reinforced cable with gold-plated contacts for optimal sound.
- High-quality designed based on the IE 800.
- Gold-plated contacts for distortion-free signal transmission.

Product data

	RCS 800
EAN	4044155088007
UPC	615104246898
Article no	505794
Package includes	Audio cable RCS 800, manual
Packaging	
Design	Coloured carton
Product packaging dimensions (L x W x H)	65 x 125 x 60 mm
Weight of the cable and packaging	98 g
Outer shipping package dimensions (L x W x H)	328 x 149 x 153 mm
Number of products in the outer shipping package	10
Total weight of the outer package and products	277 g
Languages on the packaging	German, English and French
